### Sixteenth Anniversary Celebrated

FIRST BAPTIST CHURCH ORGAN-  
IZED SIXTEEN YEARS AGO.  
CELEBRATED YESTERDAY.

The congregation of the First Bap-  
tist Church yesterday celebrated the  
sixteenth anniversary of its organiza-  
tion. Appropriate sermons were de-  
livered both morning and evening by  
the pastor Rev. W. J. Eddy, to large  
and appreciative congregations. Rev.  
Eddy took for his morning theme "The  
Pastor's Relation to Jesus Christ and  
his Congregation" and dwelt at length  
on the great advancement the church  
has made in the past years since its  
organization. The subject of the even-  
ing sermon was "The Power of a Good  
Life."

During the twelve years of Rev. Ed-  
dy's pastorate in this city, the church  
has grown from a membership of 119  
to 357. Four hundred and thirty  
names have been added to the church  
roll during this time. The church has  
seen steady growth all along the lines.  
The Baptist Chapel on the South Side  
has been built two Sunday Schools  
organized the parsonage built a pipe  
organ installed a handsome library  
established, the seating capacity of the  
church doubled by raising the church  
edifice and building a basement Sun-  
day School room besides many other  
substantial improvements. The con-  
gregation has also given about six  
hundred dollars to missions this year.  
During the twelve years of Rev. Ed-  
dy's pastorate he has greatly endeared  
himself to his congregation.

Rev. G. M. Shott, of Mannington,  
was the first pastor of this church. He  
was succeeded by Rev. W. J. Holtz-  
claw now of Michigan. Rev. Holtz-  
claw was succeeded by Rev. Eddy.

FRANK B. WEEKS

GEORGE L. LILLEY

### THE LATE GOVERNOR LILLEY OF CONNECTICUT AND FRANK B. WEEKS, HIS SUCCESSOR.

The illness of the late Governor George L. Lilley of Connecticut dated from the congressional investigation of a year ago which grew out of his charges of corruption in the procuring of contracts by the Electric Boat company and its predecessor, the Holland company. His nomination and election to the governorship following this sensation were among the striking incidents of the campaign of 1908. Mr. Lilley was born in Oxford, Mass., on Aug. 3, 1830, and first came into national prominence in 1893, when he was elected to congress. Lieutenant Governor Frank B. Weeks, who has acted as governor since the illness of Mr. Lilley became critical, was born in Brooklyn, N. Y., in 1854, but since boyhood has resided in Middletown, Conn. He has been prominent in state politics for many years.

### HENRIK IBSENS MASTERPIECE

MISS FLORENCE DAVIS WILL AP-  
PEAR IN "A DOLL'S HOUSE"  
NEXT WEDNESDAY.

"A Doll's House," the masterpiece  
of that gigantic thinker and dramatist,  
Henrik Ibsen, is the offering in which  
Miss Florence Davis will appeal for  
local favor at the Opera House next  
Wednesday evening, and if the way-  
of approbation bestowed upon the  
charming player in, what is said to be  
her greatest achievement, is any indi-  
cation as to the merits of the per-  
formance, then a dramatic treat may  
with assurance be anticipated here. In  
a recent interview regarding Ibsen,  
Miss Davis, who has been a devoted  
student of the cult, is quoted as fol-  
lows:

"Ibsen was a reflective poet, one to

at Kingwood for killing his brother,

#### TO THEATER-GOERS.

On Wednesday, May 5th, the pres-  
ent theatrical season will come to an  
end, and on this occasion Miss Flo-  
rence Davis, supported by Elliott Dex-  
ter and an excellent company will pre-  
sent Henrik Ibsen's great master-  
piece, "A Doll's House." I desire to  
personally recommend this attraction  
as being one of the most meritorious  
ever seen here, and trust that all who  
desire to witness an unusually fine  
performance will be present. Miss  
Davis is the most gifted and versatile  
actress that has ever visited Fair-  
mont, and in securing her to close the  
season, I feel that the public will  
show its appreciation by liberally pa-  
tronizing the attraction.
